VAINQUEUR AGRO SARL

A WORD FROM THE FOUNDER

As Managing Director and CEO of **VAINQUEUR AGRO SARL** (RCCM NO.:RB/COT/21B28543 IFU: 3202112278584) I am delighted to present to you, our passion, our team, our tropical products and our various services.

Almost 12 years ago, I started this journey as a commodity broker, I got the passion from my favorite Uncle, and my Late Father. Years later, I became a Registered Exporter, and I have been a source of inspiration to other youths alike. I have served in the industry with dedicated collaborators, with whom I have managed to build a solid reputation in the procurement and exportation of agro commodities.

Our combined experiences in the field of agricultural commodities allows us to respond quickly and efficiently to the needs of our customers from all round the world.

We are maintaining good business ethics which is important for the relationships we are building and consequently for our reputation.

VAINQUEUR AGRO SARL and its staffs are committed every day to offer you good quality commodity and high-quality service, as we are concerned about creating more values for your satisfaction.

We look forward to a fruitful partnership!

WHO ARE WE?

Headquartered in Cotonou, Benin, **VAINQUEUR AGRO SARL** is an established, leading agro-commodity trading company with vast experiences in the commodity value chain.

We export mainly agro commodities from dry nuts, grains, seeds, and dry fruits. Our core commodities are; Raw cashew nuts, Cashew kernels, Shea nuts, Shea butter, Cocoa beans, Cocoa powder, non-gmo soybeans, Natural sesame seeds, Hulled sesame seeds, Cotton seeds/hulls, Yellow/White Maize, Dry/Fresh ginger, Dry hibiscus flowers, semi husked coconut, and hardwood charcoal.

We are also open to new and innovative opportunities/products for representation. We have contacts all over West Africa, and we are able to assist manufacturers to assess the West African markets on win-win basis.

OUR VISION

At VAS we are enriching the lives of our employees, customers and communities. We want to make VAS a truly sustainable company. We are particularly attentive to the protection of the environment and the natural riches of the planet.

We donate a portion of our earnings to support the less privileged in the rural areas where we often operate.
