

# ADVERTISE. CONNECT. GROW.

EXPLORE GLOBAL BUSINESS OPPORTUNITIES  
IN F & B INDUSTRY.

AgriWorldExpo is an online multimedia advertising platform for the Food & Beverage industry, designed to attract more clients, strengthen and grow your supply & distribution chains and explore more business opportunities. Here, you can create your interactive virtual stall, post advertisements and connect to your potential clients that too in a short span of time.

## ENSURE YOUR GROWTH WITH OUR UNIQUE OFFERINGS:

### ▪ Global F & B Industry Exposure

This new platform will allow you to publicize your ads to over 60,000 F & B companies worldwide, in hundreds of categories of products and services.

### ▪ Advertise & Grow

Get flexibility to upload, manage and edit your ads and connect with your desired customers directly. Also, we can reach out to a professional audience by aggregating ads on the platform and marketing on social media.

### ▪ Create Interactive Stalls

Brands can build their interactive virtual stalls and give links of brochures, videos and websites to create more impact.

### ▪ Customized Search

Brands can customize their ads by selecting specific geography, product type and business activity to achieve the desired target.

### ▪ Save Time & Cost

Avoid the huge cost of travelling, marketing and setting up your physical stall. Also, create your ads within 15 mins and save your time as well.
